February's Program: Teresa Herndon

Teresa Herndon has been a member of GCWS since 2005. During that time, she has served the organization in many positions including our most recent past president. Currently, she serves as Communications Chair and Paint Outs & Road Trip Organizer.

Her background includes working in NYC and Aspen as a fashion illustrator and a graphic artist. Currently, she concentrates on watercolors and sometimes acrylic paintings of mountain landscapes, florals, and wildlife.

She is a member of The Tulsa Artists Guild (past president), Green Country Watercolor Society, and the Southwest Watercolor Society.

Although she began her work in the art field as a graphic artist, she now enjoys the looseness of watercolors, waiting until the end to add the all important details. Teresa shares what she has learned through the years as a watercolor teacher at several locations, at workshops, at the Watercolor Society, and private lessons.
